This list is not exhaustive and we work using your requirements – if you do not see what you are looking for, please contact us.

Apprenticeship durations are to the Gateway stage and end-point assessment may add varying additional time to final achievement dates depending on the Standard.

All apprenticeships detailed are Levy applicable. Contact us for more information on how you might be able to utilise your Levy, acquire more or transfer it. If you are not a Levy paying employer we may be able to support you in accessing transferred Levy if a supply chain employer linked to a Levy paying employer. Non-Levy paying employers are still able to gain substantially funded fee discounts. We work closely with the Essex Apprenticeship Levy Transfer Team.

If required and viable, we will seek to arrange delivery at the most appropriate/local campus and in some cases on employer premises, please ask for more information.
