

SEATS DEGREE APPRENTICESHIP MENU

The South Essex Advanced Technical Skills Training (SEATS) programme is set up to aggregate demand for higher education services. As a result, we are pleased to be able to provide technical training courses available to your business in, which would not have necessarily been available before.

We can provide further courses subject to our customers' requirements. If there's a course that you don't see below, please ask and we can look to put a new course on for you subject to a minimum cohort of learners.
